### Interests

- 🎧 [Link to my music here](#)
- weightlifting
- yoga
- hiking

### About Me

"Every day is a new adventure." This philosophy brought me to Japan in 2017, where I have since leveraged my love of languages to make a living. My experience working in marketing and business operations got me excited about coding and data, so I changed gears and am now on a mission to become fluent in this new field.

### Professional Experience
